The Radio Programme in Dhivehi containing Maldivian worship songs.

All of you - love the Lord!
All of you - love the Lord!
Give your hearts to Him, because that is what He wants.
All of you - love the Lord!

God doesn't want you to prove to Him that you are good.
God doesn't want you to prove to Him that you are good.
He wants your heart to be filled with love for Him.
All of you - love the Lord!
Give your hearts to Him, because that is what He wants.
All of you - love the Lord!

To love God is to live in obedience His words.
To love God is to live in obedience His words.
We should love the Lord so that we will have joy in this world and also for eternity.
All of you - love the Lord!
Give your hearts to Him, because that is what He wants.
All of you - love the Lord!

With love, let's spread the good news of God all over the world.
With love, let's spread the good news of God all over the world.
Even though strong winds oppose us, remain unshaken in His love.
All of you - love the Lord!
Give your hearts to Him, because that is what He wants.
All of you - love the Lord!
All of you - love the Lord!
