Title: **Wondering heart**

Translation of: ڕەمۇێ ڕەمڕێ ڕەسێمە ڕەڕە مەڕێشۆمە

My heart was wondering and now I am sure.
My heart was wondering and now I am sure.
God who became a human,
Because He is the one who shows the Way and teaches us.
My heart was wondering and now I am sure.
My heart was wondering and now I am sure.

My eyes are filled with tears.
Please, God, listen to my plea.
I am suffering.
Please, Lord, see my suffering.
Hear my cry, hear my plea.
Because You are the one who shows the Way and teaches us.
My heart was wondering and now I am sure.
My heart was wondering and now I am sure.

If anyone asks, God will give the power to do good.
My soul rejoices to know this.
We need to thank and praise God for this.
And we should pray asking God to give us eternal life.
Let's ask help from the Almighty God.
Because He is the one who shows the Way and teaches us.
My heart was wondering and now I am sure.
My heart was wondering and now I am sure.

Let´s leave the world of sin
and let's build a foundation for a new life.
With our hearts, bodies and minds,
let´s praise and thank God.
And let's listen and obey the teachings of the Messiah.
This is the truth and a blessing from God.
Because He is the one who shows the Way and teaches us.
My heart was wondering and now I am sure.
My heart was wondering and now I am sure.
God who became a human...
