The Radio Programme in Dhivehi containing Maldivian worship songs.

Holy God, Holy Lord,
You show us the true path in this world.
Holy God, Holy Lord,
You show us the true path in this world.
You have taught us right from wrong,
You have taught us right from wrong.
Lord, You have helped us to think the right way.
Holy God, Holy Lord...

You give us all we need, and do good to us,
You are always near to us.
You give us all we need, and do good to us,
You are always near to us.
You renew our hope,
You rescue us from all troubles
We overflow with joy and give You thanks,
We overflow with joy and give You thanks.
Please help everyone to thank You in this way.
Holy God, Holy Lord....

We sing this song of praise
to be close to You, Holy Lord.
We sing this song of praise
to be close to You, Holy Lord.
You have saved us from evil,
and given us the Holy Spirit.
Show the way to everyone,
Show the way to everyone.
Holy Lord, You are eternal.

Holy God, Holy Lord,
You show us the true path in this world.
Holy God, Holy Lord,
You show us the true path in this world.
You have taught us right from wrong,
You have taught us right from wrong.
Lord, You have helped us to think the right way.
Holy God, Holy Lord...
