The Radio Programme in Dhivehi containing Maldivian worship songs.

You, Holy Lord, are the Giver of life,
the Maker of the universe and all creation,
You, Holy Lord, are the Giver of life,
the Maker of the universe and all creation.
Creator.. .

The Holy Spirit is shining in all the world.
I will believe all my life.
I pray that I won't lose the way.
I've given my heart fully to You.
My heart remains refreshed and joyful,
because You have shown me the way.
You, Holy Lord, are the Giver of life,
the Maker of the universe and all creation.
Creator.. .

You made us, take care of us, and love us.
You have also had compassion on us,
and provided a way for our sins to be wiped away.
If we ask, You would open the way for us to know You.
My hope is that my faith will be unshaken,
even until my last breath.
You, Holy Lord, are the Giver of life,
the Maker of the universe and all creation.
Creator.. .

Since You are always with us,
my heart is refreshed.
Lord, I hope and pray that
You will give Your Spirit to all people.
Singing thanks and praise, I finish with prayer
that I will have another opportunity to thank You,
You, Holy Lord, are the Giver of life,
the Maker of the universe and all creation.
Creator.. .
