The Radio Programme in Dhivehi containing Maldivian worship songs.

He is my Lord, and I have received His love, My Lord's love.
He is my Lord, and I have received His love, My Lord's love.
Out of joy I write
this song of praise and thankfulness.

You are the true way of salvation.
You are the true way of salvation.
You give us eternal life. You give us the Holy Spirit.
Even though my body will die and become nothing,
You, Lord, are eternal. You, Lord, are eternal.
He is my Lord, and I have received His love, My Lord's love.

Ask and seek, the Lord will help you.
Ask and seek, the Lord will help you.
Believe that He is the Lord and trust Him.
And if you ask for help
He is the Lord who will answer, He is the Lord who will answer.
He is my Lord, and I have received His love, My Lord's love.

Surely the end of time will come. And all of us will die.
Surely the end of time will come. And all of us will die.
The universe and everything in it will perish.
Only one light will remain
and that will be our Holy Lord. That will be our Holy Lord.
He is my Lord, and I have received His love, My Lord's love.
