Title: **This is my prayer**

Translation of: 

This is my prayer, this is my plea:
I am lost.
My heart is wounded deeply.
This is my prayer, this is my plea.

I am grieving, I have no place, I am lonely.
I am grieving, I have no place, I am lonely.
I have no way to be saved.
I am drifting in the river of my own tears.
This is my prayer, this is my plea.

I want to know the way to salvation. I want to know the way to God.
I want to know the way to salvation. I want to know the way to God.
I am grieving, I have no place, I am lonely.
I want be under God's blessing.
This is the prayer of my heart.
This is my prayer, this is my plea.

Tell me -- is there anyone who has done no wrong and never sinned?
Tell me -- is there anyone who has done no wrong and never sinned?
I want to stop lying. I want to do right.
O God, give me the strength!
This is my prayer, this is my plea:
I am lost. My heart is wounded deeply.
This is my prayer, this is my plea.
