Title: **These feelings in my heart**

Translation of: ހިތުގައި ހިފާ ކަންތައްތައް

I am telling of the feelings in my heart with a poem
- You are the Holy God.
I am telling of the feelings in my heart with a poem
- You are the Holy God. You are the Holy God.

You are the Holy God who was sent to the whole world.
You are reigning on your throne in heaven and on the earth.
Certainly Your Kingdom will never, will never change.
You are the Holy God, You are the Holy God.

Because You taken control of our hearts,
Because You have given us unending blessing.
You are not partial to the rich or the poor, to the rich or the poor.
You are the Holy God. You are the Holy God.

If You want to take us with You, we will gladly go.
Until the day You take my soul,
I am bursting with joy, looking forward to that day.
You are the Holy God, You are the Holy God.

I am telling of the feelings in my heart with a poem.
- You are the Holy God. You are the Holy God.
- You are the Holy God. You are the Holy God.
