Title: **I remember what You have given me**

Translation of: 

As I remember what You have given me,
Your Spirit and Your love, I sing with joy.
Yes I sing with joy.
As I remember what You have given me,
Your Spirit and Your love, I sing with joy. Yes I sing with joy.
I remember what You have given me..

The Lord was beaten and bruised
I realize He gave his life for me.
I realize He gave his life for me.
Yes when I realize Lord You died for me
my heart cries, Yes, my heart cries.

You have given me Your unending love, Your Holy Spirit,
You have given me Your light and have shown me the way,
Because of this my heart is singing, my heart is singing.
I remember what You have given me.

I know I will be in heaven to sing praises with the Lord
I know I will be in heaven to sing praises with the Lord
While I deserved destruction, You forgave my sin.
I thank You, Lord, I thank You, Lord.

Yours is the perfect love.
You give me Your peace and Your spirit.
My heart is singing with joy, yes, my heart is singing with joy.
I remember what You have given me.

As I remember that You have given me the Holy Spirit,
I sing with joy. Yes, I sing with joy.
I remember what You have given me.
