Title: **My Heart and Soul**

Translation of: މަގޭ ހިތާއި ރޫހުވެސް

My heart and soul and all creation sing Your praises today.
My heart and soul and all creation sing Your praises today.
My heart and soul sing...

Lord, You are the desire of my heart.
Your holy name is in my heart and on my tongue.
I ask for Your mercy.
My heart and soul sing...

All the people come to celebrate with joy this special occasion.
Your life will be changed and cleaned here.
Because God has sent us His Light.
My heart and soul sing...

God, You bless all people equally.
I give thanks to You, Holy God.
You are the Lord of heaven and Earth.
My heart and soul and all creation sing Your praises today.
My heart and soul sing...
