Title: **My Refuge**

Translation of: 

You are my refuge and my light, my Lord, my Lord.
You are my refuge and my light, my Lord, my Lord.

You are my heartbeat and a ray of light for me.
You are the God who gives life, the God who gives life.
You are my refuge and my light, my Lord, my Lord.

Let's free our hearts from envy. Surely God will help us.
Let's free our hearts from envy. Surely God will help us.

That is what our God wants. Then our hearts will be alive.
You are my refuge and my light, my Lord, my Lord.

We sin when we get angry, and when we hate.
This leads to murder.
We sin when we get angry, and when we hate.
This leads to murder.

Do not think anger is a harmless thing. Souls belong to God.
You are my refuge and my light, my Lord, my Lord.

Our hearts are full of evil thoughts.
Our actions and words reveal this.
Our hearts are full of evil thoughts.
Our actions and words reveal this.
Let's free our hearts from evil.
God will give us the power to do that.

You are my refuge and my light, my Lord, my Lord.
You are my refuge and my light, my Lord, my Lord.
