Title: **The Holy Name**

Translation of: 

Your Name is holy. You are the Saviour.  
You are the one who renews hearts and joy.  
You are the Holy God.  
Your Name is holy. You are the Saviour.  
You are the Holy God. Your Name is holy.

You are the true path, all blessings come from You.  
You are the true path, all blessings come from You.  
You are the Holy Spirit. You are the light,  
and You are the One who gives righteousness.  
Your Name is holy. You are the Saviour.  
You are the one who renews hearts and joy.  
You are the Holy God. Your Name is holy.

Yours is the Name by which I'm forgiven.  
Yours is the Name by which I'm forgiven.  
I want to repent, I want to be obedient. You are the Holy God.  
Your Name is holy. You are the Saviour.  
You are the one who renews hearts and joy.  
You are the Holy God. Your Name is holy.
