Title: **How can I describe You, Lord?**

Translation of: 

How can I describe Your greatness, Lord?
How can I describe Your greatness, Lord?
I'm not able to describe You with my mouth or my pen.
How can I, Lord?

There is no where in the world where we cannot see that You are the Lord.
There is no where in the world where we cannot see that You are the Lord.
Because of Your greatness I am filled with awe, and my love for You overflows.
Because of Your greatness I am filled with awe, and my love for You overflows.
How can I, Lord?

We mocked and abused You, Lord, and in return You gave Your blood for us.
We mocked and abused You, Lord, and in return You gave Your blood for us.
You didn't count our evil acts against us, but blessed us instead.
You didn't count our evil acts against us, but blessed us instead.
How can I, Lord?

Your Holy Name gives me hope.
Your Holy Name gives me hope.
Nothing happens outside Your control.
Nothing happens outside Your control.

How can I describe Your greatness, Lord?
I am not able to do so.
