Title: **Yes, You are the God of heaven and earth**

Translation of: ޖެސީޔު ޖެސީޔު

Day and night my heart and tongue confess --
Yes, You are the God of heaven and earth.
Day and night my heart and tongue confess --
Yes, You are the God of heaven and earth.

The beautiful seas and the birds of the air give witness,
The gentle breeze refreshes my heart and soul.
and I can hear the waves singing --
Yes, You are the Lord of the heavens and the earth.
Day and night my heart and tongue confess --
Yes, You are the God of heaven and earth.

All the beautiful flowers are there,
jasmine, morning glory, and many more.
All the beautiful flowers are there,
jasmine, morning glory, and many more.
Beautiful trees flourishing in the garden, the abundant tasty fruits.
I heard the morning bird singing --
Yes, Lord You are the Lord of the heavens and the earth.

Day and night my heart and tongue confess --
Yes, You are the God of heaven and earth.
Day and night I see Your glory. You are the name I long for.
My heart knows that Jesus, You are the true path.
You are the light which will shine in heaven.
Yes, You are the God of the heavens and the earth.

Day and night my heart and tongue confess --
Yes, You are the God of heaven and earth.
Day and night my heart and tongue confess --
Yes, You are the God of heaven and earth.
